A Massachuseits women, Mrs. Carrie P. Hannaford, of No. 69 Hale Street, Beverity, Mass, who is well known socially there, being Treasurer of the Order of the Hastern Star, wrote her experience as follows: "Your Favorite Prescription is, without a doubt, the finest remedy on the market to-day, for female difficulties. I suffered for four years with pains every period, and I dreaded the approach of the time as I knew it meant two or three days' misery. Tried several different widely advertised remedies, and found that they ald me no good whatever. One day a friend called, who had suffered as I was suffering, and who told me that also had been cured through the use of De. Pierce's favorite Prescription, so I purchased a package. I found that the real value of your medicine was greater even than my expectations, and the next mouth I had hardly any pains. The following mouth had none at all, and found that my general health was much befor and new life and strength had come to me."
